HELP REWRITE THE STORY - ONE GIRL AT A TIME

Left fatherless by the
Taliban.

Denied an education just
because she is a girl.

A bid for freedom across a
dangerous border.

A journey half way around
the world from
Afghanistan to Maryland.

With your support, she won't be alone in her story.

Use the QR Code to change the
life of an Afghan girl through
education

**At West Nottingham Academy, we believe education is
not just a privilege — it is a powerful tool for change.**
